Gastroenterology 2018

Course Description

Gastroenterology 2018 provides a comprehensive update for clinicians that care for patients with GI disorders. It covers state-of-the-art clinical strategies, updates and expanded options for treatment and diagnosis, and guidance for complex and unusual cases. This program is led by the nationally and internationally recognized GI leaders at Harvard Medical School and its major teaching hospitals: Beth Israel Deaconess Medical Center, Brigham and Women's Hospital, and Massachusetts General Hospital. Attendees leave this program with comprehensive updates and evidence-based approaches from master clinicians. Education is results focused, incorporating cases and guidance that show participants how to achieve improved clinical and quality-of-life outcomes for patients with GI disorders.

Learning Objectives

Upon completion of this activity, participants will be able to:

- Interpret major advances in the field of gastroenterology
- Incorporate the most up-to-date diagnostic approaches to GI disorders
- Choose therapeutic options for GI disorders in an evidence-based manner
- Manage patients with both common and rare GI disorders using established guidelines

Updates and Clinical
Strategies to
Optimize Patient
Care and Outcomes

Dear Colleague,

The field of gastroenterology is continually evolving, and this impacts many different areas of our practice. New treatments including biologic therapies for IBD and antivirals for hepatitis B and C emerge almost yearly. In the endoscopic arena, there are many exciting developments to enhance polyp detection, to manage weight loss with bariatric devices, and to ablate Barrett's esophagus. Scientific advances have also brought provocative new approaches such as fecal transplant into our therapeutic armamentarium.

As gastroenterologists, we are entrusted to manage an incredibly broad array of disorders that span the gastrointestinal, hepatic, and pancreaticobiliary systems. Our goal is to ensure that you are up to date with the current approaches for the diagnosis and management of these disorders so that you are prepared to provide the best care for your patients. Importantly, our talented faculty is highly responsive to you, and we consider it a priority to take the time to address individual questions you may have.

We look forward to your participation. Boston is absolutely delightful in June, and we hope to see you then!

Sincerely,

Daniel C. Chung, MD

Who Should Attend

- Gastroenterologists
- Internists
- Surgeons
- Nurse Practitioners
- Physician Assistants

GASTROENTEROLOGY 2018

ACCREDITATION

ACCREDITATION COUNCIL FOR CONTINUING MEDICAL EDUCATION

The Harvard Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Harvard Medical School designates this live activity for a maximum of 29.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MOC STATEMENT

Successful completion of this CME activity enables the participant to earn up to 29.50 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC points.

CANADIAN ACCREDITATION

The Royal College of Physicians and Surgeons of Canada recognizes conferences and workshops held outside of Canada that are developed by a university, academy, hospital, specialty society or college as accredited group learning activities.

EUROPEAN ACCREDITATION

Through an agreement between the American Medical Association and the European Union of Medical Specialists, physicians may convert *AMA PRA Category 1 Credit™* to an equivalent number of European CME Credits® (ECMECs®). Information on the process of converting *AMA PRA Category 1 Credits™* to ECMECs® can be found at: www.eaccme.eu.

REASONS TO ATTEND

- Updated guidelines for use of biologics in IBD
- Improved management of IBS, pelvic floor disorders, and functional dyspepsia
- Expanded options to diagnose hereditary colon cancer
- Improved management of fatty liver disease
- Best practices for treatment of HBV and HCV
- Steps to ensure delivery of high-quality endoscopic care
- Techniques to effectively control GI bleeding
- When FMT is indicated for treatment
- New strategies to treat common GI problems
- Guidance to diagnose and treat complex cases
- Update of national guidelines

GASTROENTEROLOGY 2018

MONDAY, JUNE 11

7:00 - 8:00	Registration
7:30 - 9:30	Continental breakfast served
8:00 - 8:55	Anti-TNF Agents, Biosimilars, and Drug Monitoring in IBD Joshua Korzenik, MD
8:55 - 9:30	Next Generation Biologics: Beyond TNF Agents Ashwin Ananthakrishnan, MD, MPH
9:30 - 10:10	Optimizing Post-Operative Management of IBD Ashwin Ananthakrishnan, MD, MPH
10:10 - 10:25	Break (<i>refreshments provided</i>)
10:25 - 11:00	2018 Management of Severe Ulcerative Colitis Adam Cheifetz, MD
11:00 - 11:30	IBD in Women: Important Updates Sonia Friedman, MD
11:30 - 12:00	Dermatologic Manifestations of IBD Daniela Kroshinsky, MD, MPH
12:00 - 1:15	Lunch break*
1:15 - 2:05	Challenging Cases in IBD Alan Moss, MD
2:05 - 2:45	How to Manage Microscopic Colitis Hamed Khalili, MD, MPH
2:45 - 3:15	Chemoprevention of CRC: What Should You Recommend? Andrew Chan, MD, MPH
3:15 - 3:30	Break (<i>refreshments provided</i>)
3:30 - 4:15	What's New in Hereditary GI Cancer Syndromes Daniel Chung, MD
4:15 - 5:00	New Screening Tests for CRC Ramona Lim, MD

*There are many convenient and varied lunch options within a short walking distance of the course.

Program changes/substitutions may be made without notice. To view the most up-to-date version of the course program, please visit the course website.

TUESDAY, JUNE 12

7:30 - 9:30	Continental breakfast served
8:00 - 8:45	Barrett's Esophagus: Whom and How to Treat? Douglas Pleskow, MD
8:45 - 9:30	Esophageal Motility Disorders Made Easy Barbara Nath, MD
9:30 - 10:15	State-of-the-Art Treatment Strategies for Refractory GERD Norman Nishioka, MD
10:15 - 10:30	Break (<i>refreshments provided</i>)
10:30 - 11:15	Eosinophilic Esophagitis Norton Greenberger, MD
11:15 - 12:15	Celiac Disease and Gluten Sensitivity: 2018 Practitioner Updates Ciaran Kelly, MD
12:15 - 1:35	Lunch break*
1:35 - 2:20	How to Manage Gastroparesis Braden Kuo, MD
2:20 - 3:05	Functional Dyspepsia and Chest Pain Walter Chan, MD
3:05 - 3:20	Break (<i>refreshments provided</i>)
3:20 - 4:10	The Newest Approaches to IBS Kyle Staller, MD
4:10 - 5:00	Systematic Approach to Pelvic Floor Disorders Alison Goldin, MD, MPH

This course sold out last year. Early registration for the 2018 program is strongly advised.

GASTROENTEROLOGY 2018

WEDNESDAY, JUNE 13

7:30 - 9:30	Continental breakfast served
8:00 - 8:40	Hepatitis B: Evolving Epidemiology and Treatment Landscape Jules Dienstag, MD
8:40 - 9:30	Treating Hepatitis C to Eradication Raymond Chung, MD
9:30 - 10:15	End-Stage Liver Disease and Management of Portal Hypertension Anna Rutherford, MD
10:15 - 10:30	Break (<i>refreshments provided</i>)
10:30 - 11:05	How to Approach Drug-Induced Liver Injury (DILI) Michael Curry, MD
11:05 - 11:50	The Epidemic of NAFLD Kathleen Corey, MD
11:50 - 12:50	Lunch break*
12:50 - 1:30	The Workup of a Liver Nodule Karin Andersson, MD
1:30 - 2:15	Cholestatic Liver Disease: What's New in PBC and PSC Daniel Pratt, MD
2:15 - 3:00	Challenging Liver Cases Daniel Pratt, MD
3:00 - 3:15	Break (<i>refreshments provided</i>)
3:15 - 4:00	Best Management Strategies in Acute Pancreatitis Peter Banks, MD
4:00 - 4:30	Updates in Chronic Pancreatitis Steven Freedman, MD, PhD
4:30 - 5:00	Quality Measures for Colonoscopy: What's New and Why It Matters Mandeep Sawhney, MD

THURSDAY, JUNE 14

7:30 - 9:30	Continental breakfast served
8:00 - 8:45	What's New in <i>C. difficile</i> Colitis J. Thomas Lamont, MD
8:45 - 9:20	New Insights into the Gut Microbiome and Disease Ramnik Xavier, MD, PhD
9:20 - 9:55	How to Evaluate Small Intestinal Bacterial Overgrowth Judy Nee, MD
9:55 - 10:10	Break (<i>refreshments provided</i>)
10:10 - 10:50	Controversies in the Management of Cystic Lesions of the Pancreas Carlos Fernandez-del Castillo, MD
10:50 - 11:40	Challenging GI Cases Douglas Horst, MD
11:40 - 12:30	Lunch break*
12:30 - 1:15	Endoscopy and the Anticoagulated Patient John Saltzman, MD
1:15 - 2:00	Tips for Removing the Difficult Polyp Tyler Berzin, MD

Gastroenterology 2018 Course #732615-1802	Tuition
Physicians	\$1,445
Allied Health Professionals	\$1,245
Residents, Fellows and Trainees	\$1,095

Your tuition includes breakfast each day, and morning and afternoon refreshment breaks. All course participants receive a flash drive that contains all of the course materials. You can purchase a printed copy of these materials at the time of online registration for \$50.

Registration, Payment, Confirmation and Refund Policy

Registrations for Harvard Medical School CME programs are made via our secure online registration system. To register for this course, please visit the course website at GI.HMSCME.com

At the end of the registration process, a \$5 non-refundable processing fee will be added to your registration, and you will have the choice of paying by check or credit card (Visa, MasterCard, or American Express). If you are paying by check (draft on a United States bank), the online registration system will provide you with instructions and a printable form for remitting your course fees by check. Postal, telephone, fax, and cash-payment registrations are not accepted. All fees shown in USD.

Upon receipt of your paid registration, an email confirmation from the HMS GCE office will be sent to you. Be sure to include an email address that you check frequently. Your email address is used for critical information, including registration confirmation, evaluation, and certificate. Refunds, less an administrative fee of \$75, will be issued for all cancellations received two weeks prior to the start of the course. Refund requests must be received by email. No refund will be issued should cancellation occur less than two weeks prior. "No shows" are subject to the full course fee and no refunds will be issued once the conference has started.
