Gastroenterology 2020

Course Description

Gastroenterology 2020 provides a comprehensive update for clinicians who care for patients with GI disorders. It covers state-of-the-art clinical strategies, updates and expanded options for treatment and diagnosis, and guidance for complex and unusual cases. This program is led by the nationally and internationally recognized GI leaders at Harvard Medical School and its major teaching hospitals: Beth Israel Deaconess Medical Center, Brigham and Women's Hospital, and Massachusetts General Hospital. Learners leave this program with comprehensive updates and evidence-based approaches from master clinicians. Education is results focused, incorporating cases and guidance that show participants how to achieve improved clinical and quality-of-life outcomes for patients with GI disorders.

Learning Objectives

Upon completion of this activity, participants will be able to:

- Interpret major advances in the field of gastroenterology
- Incorporate the most up-to-date diagnostic approaches to GI disorders
- Identify therapeutic options for GI disorders in an evidence-based manner
- Manage patients with both common and rare GI disorders using established guidelines

HARVARD MEDICAL SCHOOL

Dear Colleague,

The field of gastroenterology is continually evolving, and this impacts many different areas of our practice. New conditions such as GI complications from immunotherapy have emerged, and new biologic therapies for IBD reach the market regularly. In the endoscopic arena, there are many exciting developments to enhance polyp detection and resection, to control bleeding, and to ablate Barrett's esophagus. Scientific advances have also brought provocative new approaches such as fecal transplant into our therapeutic armamentarium.

As gastroenterologists, we are entrusted to manage an incredibly broad array of disorders that span the gastrointestinal, hepatic, and pancreaticobiliary systems. Our goal is to ensure that you are up to date with the current approaches for the diagnosis and management of these disorders so that you are prepared to provide the best care for your patients. Importantly, our talented faculty is highly responsive to you, and we consider it a priority to take the time to address individual questions you may have.

We look forward to your participation. Boston is absolutely delightful in June, and we hope to see you then!

Sincerely,

Daniel C. Chung, MD

ACCREDITATION

ACCREDITATION COUNCIL FOR CONTINUING MEDICAL EDUCATION

The Harvard Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Harvard Medical School designates this live activity for a maximum of 30.00 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSE PRACTITIONERS and REGISTERED NURSES

For the purpose of recertification, the American Academy of Nurse Practitioners Certification Board and American Nurses Credentialing Center accept *AMA PRA Category 1 Credit*[™] issued by organizations accredited by the ACCME (Accreditation Council for Continuing Medical Education). We would also suggest that learners check with their state licensing board to ensure they accept reciprocity with *AMA PRA Category 1 Credit*[™] for re-licensure.

PHYSICIAN ASSISTANTS

The National Commission on Certification of Physician Assistants (NCCPA) states that *AMA PRA Category 1 Credits*[™] are acceptable for continuing medical education requirements for recertification. We would also suggest that learners check with their state licensing board to ensure they accept reciprocity with *AMA PRA Category 1 Credit*[™] for re-licensure.

CANADIAN ACCREDITATION

The Royal College of Physicians and Surgeons of Canada recognizes conferences and workshops held outside of Canada that are developed by a university, academy, hospital, specialty society or college as accredited group learning activities.

EUROPEAN ACCREDITATION

Through an agreement between the American Medical Association and the European Union of Medical Specialists, physicians may convert *AMA PRA Category 1 Credit*[™] to an equivalent number of European CME Credits[®] (ECMECs[®]). Information on the process of converting *AMA PRA Category 1 Credits*[™] to ECMECs[®] can be found at: www.eaccme.eu.

REASONS TO ATTEND

- Updated guidelines for use of biologics in IBD
- Therapeutic drug monitoring in IBD treatment
- Managing GI complications of immunotherapy
- Improved management of IBS, pelvic floor disorders, and functional dyspepsia
- Expanded options to diagnose hereditary GI cancer syndromes
- Management of fatty liver disease in 2020
- Best practices for treatment of HBV and HCV
- How to improve your adenoma detection rate (ADR)
- Steps to ensure delivery of high-quality endoscopic care
- Techniques to effectively control GI bleeding
- When FMT is indicated for treatment
- New strategies to treat common GI problems
- Guidance to diagnose and treat complex cases
- Update of national guidelines

Now offering ABIM MOC Points

AMERICAN BOARD OF INTERNAL MEDICINE

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 30.00 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC points.

GASTROENTEROLOGY 2020

MONDAY, JUNE 8

7:00 - 8:00	Registration
7:30 - 9:30	<i>Continental breakfast served</i>
8:00 - 8:50	Which Initial Therapy to Choose to Treat Crohn's and UC? Joshua Korzenik, MD
8:50 - 9:40	Monitoring Therapy in IBD: Drug Levels, Combining Agents Adam Cheifetz, MD
9:40 - 10:30	Management of Severe UC and Pouch-Related Complications Ashwin Ananthakrishnan, MD, MPH
10:30 - 10:45	<i>Break (refreshments provided)</i>
10:45 - 11:30	IBD in Special Populations: Pregnancy and the Elderly Sonia Friedman, MD
11:30 - 12:10	Dermatologic Manifestations of IBD Daniela Kroshinsky, MD, MPH
12:10 - 1:15	Lunch break*
1:15 - 1:45	How to Manage Microscopic Colitis Hamed Khalili, MD, MPH
1:45 - 2:30	GI Complications of Immunotherapy Michael Dougan, MD, PhD
2:30 - 3:00	Chemoprevention of CRC: What Should You Recommend? Andrew Chan, MD, MPH
3:00 - 3:15	<i>Break (refreshments provided)</i>
3:15 - 4:00	What's New in Hereditary GI Cancer Syndromes Daniel Chung, MD
4:00 - 4:45	CRC Screening and How to Improve Your ADR Ramona Lim, MD
4:45 - 5:15	Quality Measures for Colonoscopy: What's New and Why It Matters Mandeep Sawhney, MD

*There are many convenient and varied lunch options within a short walking distance of the course.

Program changes/substitutions may be made without notice. To view the most up-to-date version of the course program, please visit the course website.

TUESDAY, JUNE 9

7:30 - 9:30	<i>Continental breakfast served</i>
8:00 - 8:45	Barrett's Esophagus: Whom and How to Treat? Douglas Pleskow, MD
8:45 - 9:30	Esophageal Motility Disorders Made Easy Barbara Nath, MD
9:30 - 10:15	State-of-the-Art Treatment Strategies for Refractory GERD Norman Nishioka, MD
10:15 - 10:30	<i>Break (refreshments provided)</i>
10:30 - 11:15	Comprehensive Approach to Eosinophilic Esophagitis Walter Chan, MD, MPH
11:15 - 12:15	Celiac Disease and Gluten Sensitivity: 2020 Practitioner Updates Ciaran Kelly, MD
12:15 - 1:30	Lunch break*
1:30 - 2:15	How to Manage Gastroparesis Braden Kuo, MD
2:15 - 3:15	The Newest Approaches to IBS Kyle Staller, MD
3:15 - 3:30	<i>Break (refreshments provided)</i>
3:30 - 4:15	Systematic Approaches to Pelvic Floor Disorders Alison Goldin, MD, MPH
4:15 - 5:00	Challenging Cases in GI Motility Anthony Lembo, MD

This course sold out the last three years. Early registration for the 2020 program is strongly advised.

GASTROENTEROLOGY 2020

WEDNESDAY, JUNE 10

7:30 - 9:30	<i>Continental breakfast served</i>
8:00 - 8:45	Hepatitis B: Evolving Epidemiology and Treatment Landscape Jules Dienstag, MD
8:45 - 9:30	Hepatitis C Virus: Cure and Beyond Raymond Chung, MD
9:30 - 10:15	Cholestatic Liver Diseases: What's New in PBC and PSC Daniel Pratt, MD
10:15 - 10:30	<i>Break (refreshments provided)</i>
10:30 - 11:15	Challenging Liver Cases Daniel Pratt, MD
11:15 - 12:00	The Epidemic of NAFLD Kathleen Corey, MD
12:00 - 1:00	Lunch break*
1:00 - 1:45	End-Stage Liver Disease and Management of Portal Hypertension Anna Rutherford, MD
1:45 - 2:15	How to Approach Drug-Induced Liver Injury (DILI) Michael Curry, MD
2:15 - 2:50	Autoimmune Hepatitis Update Alan Bonder, MD
2:50 - 3:05	<i>Break (refreshments provided)</i>
3:05 - 3:45	The Workup of a Liver Nodule Karin Andersson, MD
3:45 - 4:25	Best Management Strategies in Acute Pancreatitis Peter Banks, MD
4:25 - 5:00	Updates in Chronic Pancreatitis Sunil Sheth, MD

THURSDAY, JUNE 11

7:30 - 9:30	<i>Continental breakfast served</i>
8:00 - 8:45	What's New in <i>C. difficile</i> Colitis Jessica Allegretti, MD, MPH
8:45 - 9:20	New Insights into the Gut Microbiome and Disease Ramnik Xavier, MD, PhD
9:20 - 10:00	How to Evaluate Small Intestinal Bacterial Overgrowth Judy Nee, MD
10:00 - 10:15	<i>Break (refreshments provided)</i>
10:15 - 11:00	Controversies in the Management of Cystic Lesions of the Pancreas Kumar Krishnan, MD
11:00 - 12:00	Tips for Removing the Difficult Polyp Tyler Berzin, MD
12:00 - 1:00	Lunch break*
1:00 - 1:45	Endoscopy and the Anticoagulated Patient Kunal Jajoo, MD
1:45 - 2:35	Acute GI Bleeding and Other GI Emergencies Linda Lee, MD
2:35 - 2:50	<i>Break (refreshments provided)</i>
2:50 - 3:35	Challenging GI Cases Douglas Horst, MD
3:35 - 4:20	GI Management of Obesity and Metabolic Disorders Lee Kaplan, MD, PhD
4:20 - 5:00	Improving Nutritional Management in GI Disease Andrew Ukleja, MD
5:00	Course Concludes

The Comprehensive 2020 GI Update

Diagnosis | Treatment | Patient Care | Complex Cases

HARVARD MEDICAL SCHOOL

Gastroenterology 2020 Course #732615-2002	Tuition	Register on or before April 30, 2020 (SAVE \$100)
Physicians	\$1,445	\$1,345
Allied Health Professionals	\$1,295	\$1,195
Residents, Fellows and Trainees	\$1,195	\$1,095

Your tuition includes continental breakfast each day, and morning and afternoon refreshment breaks. All course participants receive a flash drive that contains all of the course materials. You can purchase a printed copy of these materials in advance, at the time of online registration, for \$50.

Registration, Payment, Confirmation and Refund Policy

Registrations for Harvard Medical School CME programs are made via our secure online registration system. To register for this course, please visit the course website at GI.HMSCME.com.

At the end of the registration process, a \$10 non-refundable processing fee will be added to your registration, and you will have the choice of paying by check, credit card (Visa, MasterCard, or American Express), or wire transfer in USD. If you are paying by check (draft on a United States bank) or by wire transfer, the online registration system will provide you with instructions for remitting your course fees. Postal, telephone, fax, and cash-payment registrations are not accepted. All fees shown in USD.

Upon receipt of your paid registration, an email confirmation will be sent to you. Be sure to include an email address that you check frequently. Your email address is used for critical information, including registration confirmation, evaluation, and certificate. **Please do not make non-refundable travel arrangements before you have received an email confirming your paid registration.** Refunds, less an administrative fee of \$75, will be issued for all cancellations received two weeks prior to the start of the course. Refund requests must be received by email. No refund will be issued should cancellation occur less than two weeks prior. "No shows" are subject to the full course fee and no refunds will be issued once the course has started.

Questions?

Call 617-384-8600 Mon-Fri 9am – 5pm (ET). Send e-mail to CEPrograms@hms.harvard.edu.

Venue

Fairmont Copley Plaza

138 St. James Avenue
Boston, Massachusetts 02116
1-617-267-5300

Accommodations

Fairmont Copley Plaza has reserved a block of discounted rooms for course participants.

Important to note:

- The number of discounted rooms is limited.
- Discounted rooms are available on a first-come, first-served basis.
- The discounted room rate is only available until May 12, 2020, or until the block sells out, which typically happens well in advance of this date.

To reserve your room:

Online: To reserve your room online, please visit GI.HMSCME.com/Venue—the Venue page of the course website—and click on the dedicated reservation link.

By phone: If you are calling the hotel rather than using the dedicated link to request a discounted room, please call 1-800-441-1414 and specify that you are enrolled in Gastroenterology 2020.
